What's the gain to reap the rich - es of the earth,
 All is gain, to those who love the ways of God,

if we rob the Spir - it's power?
 liv - ing by the Spir - it's power.

1. The Spir - it's power dreamed up this world one
 2. The Spir - it's power made night to fol - low

day, flung wide the stars in space, fills
 day, taught birds to sing and play, placed

up each breath we take, so we now bold - ly claim...
